Age and Weight Divisions

Please note that age categories are based solely on the year in which the contestant was born. The contestant's actual age on the day of competition is irrelevant. All weights are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed.

Where fewer than four competitors are entered in a division, the Tournament Director may, at his or her discretion, move competitors up or down one age or weight division to create larger, more competitive divisions.
